

phpMorphy\_Source\_Interface

```
classDiagram
    class phpMorphy_Source_Interface
    class phpMorphy_Source_Dba
    class phpMorphy_Source_Fsa
    phpMorphy_Source_Dba --|> phpMorphy_Source_Interface
    phpMorphy_Source_Fsa --|> phpMorphy_Source_Interface
```

The diagram illustrates a class hierarchy. At the top is the 'phpMorphy\_Source\_Interface' class. Below it are two subclasses: 'phpMorphy\_Source\_Dba' on the left and 'phpMorphy\_Source\_Fsa' on the right. A horizontal line connects the two subclasses, with a vertical line extending upwards from its center to an arrowhead pointing at the 'phpMorphy\_Source\_Interface' class, indicating that both subclasses inherit from the interface.
